

# Dynamical Systems and Gaussian Process Prior Distributions: A Love Story

Nathan Wycoff

Virginia Tech

December 4, 2016

# Table of Contents

Motivation

Simulations with Univariate Continuous Response.

Real Data Application: Bivariate Binary Spatiotemporal Data

# Table of Contents

Motivation

Simulations with Univariate Continuous Response.

Real Data Application: Bivariate Binary Spatiotemporal Data

LMAO

- ▶ GP kernels as priors on functions
- ▶ Can we pick kernels

# Where RL fits in

# Table of Contents

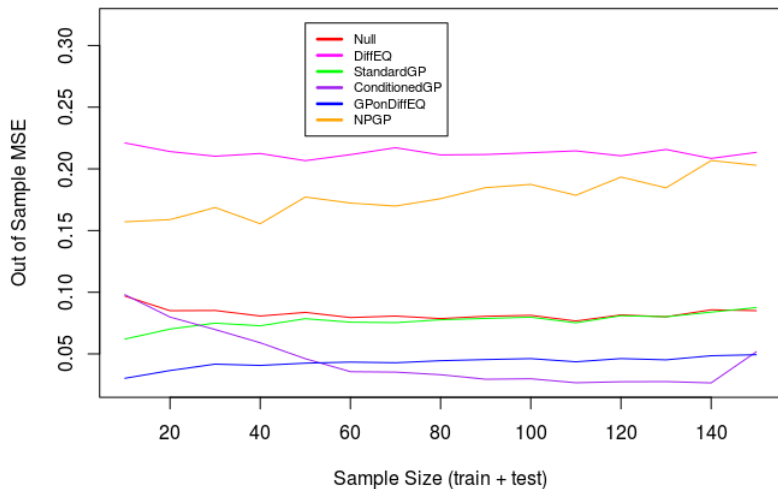

Motivation

Simulations with Univariate Continuous Response.

Real Data Application: Bivariate Binary Spatiotemporal Data

# Structural Error

Comparison of Methods for Model with Structural Error

# Table of Contents

Motivation

Simulations with Univariate Continuous Response.

Real Data Application: Bivariate Binary Spatiotemporal Data
